LEADERS TRAINING CENTRE

Accounting & Finance, Health and Safety , Business Management & Business Soft Skills

LEADERS LANGUAGES CENTRE

Arabic , English , French & German , IELTS , OET Exam Prep Courses

Leaders Training Centre was established in 2019 and has since been a reputable institute of learning. The Centre specializes in designing and implementing tailor-made courses, trainings and workshops for various sectors and professions. In Leaders, our myriad of courses range from Accountancy, Health & Safety, Management and Language. We implement proven teaching techniques and deliveries for our students to be able to learn effectively. LTC has also collaborated with many large scale international and local organizations to deliver corporate trainings and courses and has since created a rapport with these brands making them our regular clients when it comes to training. In short, we believe in quality, this is reflected in all aspects of the organization including our teaching, learning and services.

Leaders Training Centre is led by Mr Shoaib Farooq who is a qualified investment professional and a global distinction holder in ACCA UK professional exam.

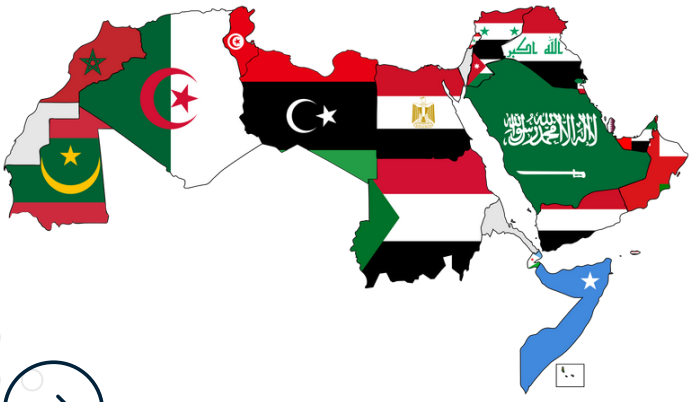
About Course

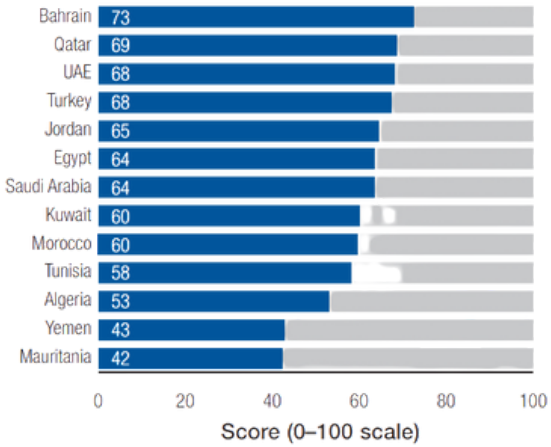
Unlock Fluent Conversations:

Mastering Spoken Arabic with Cutting-Edge Language Learning Solutions!"

Our Spoken Arabic Course is designed for non-Arabic speakers living in Qatar to enhance their social communication. The course we offer is smooth and authentic. It is based on real-life contexts that help our students blend in and put the knowledge we offer into practice.

Our course content is simplified in a manner that helps our students acquire a better understanding of the language. It will also enable each student to practice both speaking and pronunciation in life-like contexts through classroom role plays, dialogues and visuals. The Topics included for both level 1&2 Spoken Arabic are the following and will be written in Arabic and transliteration:





Source: World Economic Forum, Human Capital Index 2016.

Course Outline

Beginner Level

Unit	Topics	Course
1	Basics (Sounds, verbs, nouns, adjectives, sentence making, question words...)	Lay the groundwork with fundamental language elements and sentence construction, emphasizing essential question words.
2	Numbers & Time	Develop numerical skills and grasp expressions related to time in spoken Arabic.
3	Colors	Master the vocabulary of colors for vibrant and descriptive communication.
4	Greet & Introduce Yourself	Acquire essential greetings and introduction phrases to confidently start conversations.
5	Hobbies & Interests	Engage in discussions about personal interests and hobbies, fostering interactive communication.
6	Family Members	Learn the vocabulary related to family members, facilitating dialogue about familial relationships.
7	Feelings & Emotions	Express emotions and feelings in Arabic, enhancing communication skills.
8	Face & Body Parts	Develop proficiency in describing facial features and body parts for detailed communication.
9	Describing People	Learn to articulate descriptions of individuals, honing observational and descriptive skills.
10	Clothes & Accessories	Expand vocabulary related to clothing and accessories for discussions about personal style.
11	Months of the Year	Understand and use the names of the months in Arabic for discussions about time and events.
12	Days of the Week	Master the days of the week for effective scheduling and coordination in spoken Arabic.
13	Describing the Season	Acquire language skills to discuss various seasons, enhancing the ability to engage in seasonal conversations.
14	Talk about the Weather	Learn vocabulary related to weather conditions, enabling conversations about daily atmospheric changes.
15	Prepositions of Place	Understand and utilize prepositions to describe locations and positions accurately in spoken Arabic.
